

The **Parent2Parent**® programme aims to help parents/carers gain confidence and new skills to support their child's education and create a supportive home learning environment. It also strives to promote a greater understanding and collaboration between home and school.

The **Parent2Parent**® programme is designed for parents/carers of early years, primary and secondary aged children. It consists of six practical modules delivered by a trained Parent Lead.

"Parent2Parent has been a key to working more closely with parents. It has helped them understand our teaching better. Parents have built an understanding of how better to support their children at home".

A primary headteacher

"I loved finding out about learner confidence. I can now look at learning through my child's eyes".

A parent

Trained Parent Leads deliver six 2-hour modules to parents from one or more schools in a school setting

All **Parent2Parent**® costs can be met through the Pupil Premium Grant where appropriate. For more information please visit the website www.hertsforlearning/team/parent2parent or contact the P2P team at p2p@hertsforlearning.co.uk or call **01438 845111**.
